OFFER LETTER   01st Dec, 2017

Congratulations Kandikonda Nageswara Reddy!

We are pleased to inform you that you have been selected for the Hasura Product Development Fellowship program. Here are the details of the 2 month program.

Start date: 4th Dec, 2017
End date: 10th Feb, 2018

Responsibilities
A set of problem statements for application development will be assigned to you and you are required to implement one using Hasura as part of a team. In addition to this, you are expected to follow the guidelines communicated to you during the course of the internship.

Deliverables
1) A fully functional implementation of the assignment along with documentation
2) A development journal chronicling the implementation details

Performance Evaluation
Each team will be assigned a mentor from the Hasura engineering team. Your mentor will be responsible for evaluating group and individual performance based on the deliverables throughout the program.

Certificate of completion:
On successful completion of the deliverables and, after an end-of-internship review, you will receive a Hasura Product Development Fellowship Certificate. The best performing interns will also receive special recognition from Hasura.

Note: This offer letter does not indicate the completion of the fellowship program.

Congratulations once again and Good Luck!

Sincerely,

Rajoshi Ghosh
Co-Founder, Hasura
